A New Jersey Chapter of
Concerns of Police Survivors

"It's not how these Officers died
that makes them heroes.
It's how they lived."

With your help, we can provide the much needed resources to
assist in the rebuilding of the lives of surviving families of law
enforcement officers killed in the line of duty.

Garden State Concerns of Police Survivors

Garden State Concerns of Police Survivors (GSC.O.P.S.) provides resources to assist in the rebuilding of the lives of surviving families of law enforcement officers killed in the line of duty, as determined by Federal government criteria. GSC.O.P.S. also provides training to law enforcement agencies on survivor victimization issues and educates the public of the need to support the law enforcement profession and its survivors. Besides having fun, the main reason for having our annual golf tournament is to raise funds for our organization, so we need all the financial help we can get! This is your opportunity to be part of something very important. One way is to sponsor a hole and we'll put a sign up for you at that hole. Hole sponsorships are \$150.00. We are also looking for larger donations from individual or corporate sponsors to help reduce or eliminate our expenses. We wish to thank you in advance for your sponsorships and donations.
